Dear Colleague

Re: Joint NHS/Military Trauma Conference – NHS Trauma Centres
 Lessons from the Armed Forces

I am writing to invite you to the above conference at the University Hospital of South Manchester on **Friday 13 January 2012**. We will be looking at two inter-related areas. Firstly, current best practice in Trauma Management both in Afghanistan and the UK. Secondly, the arrangements for the Major Trauma System, due to start next year in the North West, with the new Trauma Centres and Trauma Units. The provisional programme is attached.

This is a multi-professional conference for all staff involved in trauma care: medical; nursing; and professions allied to medicine. We would like to offer an invitation to all relevant specialties and departments in the North West and would suggest that at least one person from each department attends who can then relay any learning and information back as appropriate.

Applicants should fill in the attached application form and return it by email or post to:

Mary Eccles
Medical Education Coordinator
Postgraduate Department
UHSM
mary.eccles@uhsm.nhs.uk

There will be no charge for the conference although lunch and refreshments will be provided courtesy of external sponsorship. Main sponsor - The Chris Oglesby Charitable Trust.

Yours sincerely
