

**FINAL FRCA
EXAM PRACTICE**

All Courses are held in the
Education & Research Centre
Wythenshawe Hospital

This course is designed to provide practice and feedback on performance to improve examination technique in both the SAQ and Viva sections of the Final FRCA. The course comprises of:

- 1) An introductory half-day, where the Final written exam will be discussed and the correspondence course explained
- 2) A two-month SAQ correspondence course of 4 complete papers
- 3) A one-day SAQ course of examination, discussion and feedback
- 4) A two-day Viva course

Places will be prioritised for those planning to the SAQ and Viva part of the Exam concurrently. There will be 20 places on the SAQ and 24 on the Viva Course.

Please ensure that you can be released from the rota before applying.
