

“ Complaints And Litigations In Anaesthesia” Study Day

Approved for 5 CPD points

Held at the following venue

**Wrightington Conference
Centre, Hall Lane
Appley Bridge, Lancashire
WN6 9EP**

On the 28th January 2010

Organisers :

Dr K Bhatia & Dr N Mahmoud

This study day aims to provide an overview into handling complaints in our day to day anaesthetic practice. The programme has lectures from a variety of speakers which not only include experienced consultants, but also PALS representatives, Trust managers handling litigations and Medical Defence Union representatives. Uncommon situations such as facing a coroner during an enquiry or facing a General Medical Council enquiry would also be covered.

This study day is open to **all** Anaesthetists, however it is designed primarily for post fellowship trainees who are about to embark a career as a Consultant in Anaesthesia.
